Fairport Software Re-Registration Request

We have almost completed your request for a new unlock number for your software. According to our database the registration form you have printed from your program is showing a different product code to the last number supplied to us. Please complete the below information and fax to 08 9367 5823 at your convenience to receive your new registration number.

Please tick the appropriate box below.

I/We _____ (Registered User/Contact)

Trading Name _____

Phone _____ Fax _____

eMail _____ @ _____

Wish to remove the currently installed Fairport software from the computer it is currently installed on and re-install it on a replacement computer and agree to permanently delete all Fairport software from the hard disk/s of the currently registered computer and unconditionally guarantee that all Fairport software will not be used again on the currently registered computer.

Have reformatted our currently registered computer's hard drive or upgraded our Windows operating system and are wishing to re-register on the same (previously registered) computer.

Have changed our previously registered trading name.

Old Trading Name _____

New Trading Name _____

Wish to register an additional copy of PAM on an additional computer (eg. Lap Top) to the computer currently registered. I/We acknowledge that there are fees applicable for additional installations.

Please check our website or call the office for pricing details.

Signed _____ Date ____/____/____

Please check that you have completed all sections to ensure prompt return of your new serial number.
